

# HAGEY COACH

## Chaperone Guidelines For Your Trip Today 😊

Good morning! In order to make your trip a more safe, pleasant and meaningful experience, **we ask you to consider our coach as an extension of your classroom.**

We offer the following “**classroom rules**” while on our motor coach:

1. Kindly have at least one chaperone sit in the rear of the coach to monitor student activity during the trip.
2. For everyone’s safety, students should remain in their seats throughout the day, except when they must use the restroom located in the rear of the coach.
3. Kindly allow students to eat or drink on the coach only if the schedule necessitates doing so. Chewing gum is not permitted.
4. The group should pick up trash generated during your trip. Ask your driver for extra plastic bags if necessary. Trash may be stored in luggage bays during the day, and we ask that you kindly remove your trash at the conclusion of the trip.
5. Minors are not permitted on our coach alone with the driver; an adult chaperone must be present at all times.
6. Please bring along your on DVD’s for movie viewing pleasure😊

Thank you for your help in keeping our coaches clean and safe, and thank you very much for choosing Hagey Coach.

Any comments regarding your trip, please feel free to contact the Charter Sales Office Phone 215.723.4381 email [hageycharter@hagey.com](mailto:hageycharter@hagey.com)
